NOTICE OF REMOVAL

TO THE HONORABLE UNITED STATES DISTRICT JUDGE:

COME NOW Alonso Orrantia, Jr. (“Orrantia”) and Western Industrial Resources Corporation (“Western Industrial”), Defendants in the cause styled “*Amelia Sanchez and Anita Sanchez v. Alonso Orrantia, Jr. and Western Industrial Resources Corporation d/b/a Western Industrial*”, originally pending as Case No. CJ-2021-55R in the District Court of Stephens County, State of Oklahoma and, pursuant to the terms and provisions of 28 U.S.C. §§ 1441 and 1446, hereby files this Notice of Removal of the cause to the United States District Court for the Western District of Oklahoma.

I.

This Notice of Removal is filed on the basis of diversity of citizenship. Plaintiffs Amelia Sanchez and Anita Sanchez filed their Original Petition in the District Court of Stephens County, State of Oklahoma on April 19th, 2021.

II.

Plaintiffs are individuals and citizens of the State of Oklahoma. (*Plaintiffs' Petition*, ¶¶ 2 and 3.)

III.

Defendants Western Industrial and Orrantia are both citizens of a state other than the State of Oklahoma. Orrantia, at the time of the initial filing of this action and ever since, has been a citizen of the State of Texas. Western Industrial, at the time of the initial filing of this action and ever since, has been a corporation duly incorporated and organized under the laws of the State of Arizona, having its principal place of business in the State of Arizona. Thus, complete diversity between Plaintiffs and Defendant exists.

IV.

This removal is timely because it is filed “within thirty days after receipt by the defendant, through service or otherwise, of a copy of an amended pleading, motion, order or other paper from which it may first be ascertained that the case is one which is or has become removable.” 28 U.S.C. § 1446(b). Plaintiffs’ Original Petition was filed on April 19th, 2021 and, as of the filing of this Notice of Removal, Plaintiff has not filed a Return of Service as to either defendant; however, service was made on each of the defendants on a date subsequent to April 19th, 2021. This removal is timely because it is made within thirty (30) days after the receipt by Defendant of the pleading which first demonstrated the case was removable. Further, more than one year has not passed since the commencement of the action in state court. 28 U.S.C. § 1446(b).

V.

None of the defendants are citizens of the State of Oklahoma, the state in which the action was brought. Further, in their Original Petition, Plaintiffs seek to recover damages exceeding \$75,000, exclusive of interest and costs. Therefore, this is an action over which the United States District Court for the Western District of Oklahoma has jurisdiction because of diversity of citizenship and the amount in controversy pursuant to 28 U.S.C. § 1332(a). Plaintiffs' action is one of a civil nature based upon claims of negligence.

VI.

Defendant would show that it has sent to be filed with the Clerk of the District Court of Stephens County, State of Oklahoma, a true copy of this Notice of Removal contemporaneously with the filing hereof in this Court.

VII.

Copies of the docket sheet (Exhibit "1"), Original Petition (Exhibit "2"), and all other process, pleadings and orders (Exhibit "3"), relating to this case and previously filed with the District Court of Stephens County, State of Oklahoma are attached hereto for the Court's reference.

WHEREFORE, PREMISES CONSIDERED, Defendants Alonso Orrantia, Jr. and Western Industrial Resources Corporation respectfully pray that this case be removed to the United States District Court for the Western District of Oklahoma.

Respectfully submitted,

Steidley & Neal, P.L.L.C.
